Shamrock vs Quannah

Shamrock vs Dalhart

The Shamrock Irishmen, with only four days of training, had little trouble taming the Dalhart Wolves, 20-7, in a game which officially opened the grid season for both clubs.

The Irish fell before the Quannah Indians 19-7. The Irish scored early in the first play of the second quarter when the Indians tied the score 7-7. The Indians completed a long pass, the last play of the first half, which netted another 6 points and the lead, which the Irish were never able to overcome.

Shamrock vs Borger

The fighting Irishmen were handed a 37-6 defeat by the Class AAAA Borger Bulldogs in a game which opened the new Borger football stadium. The Irish only touchdown came two seconds before the final gun when a pass from Beaty to Wood connected and Wood evaded the Borger secondary to journey to pay dirt.

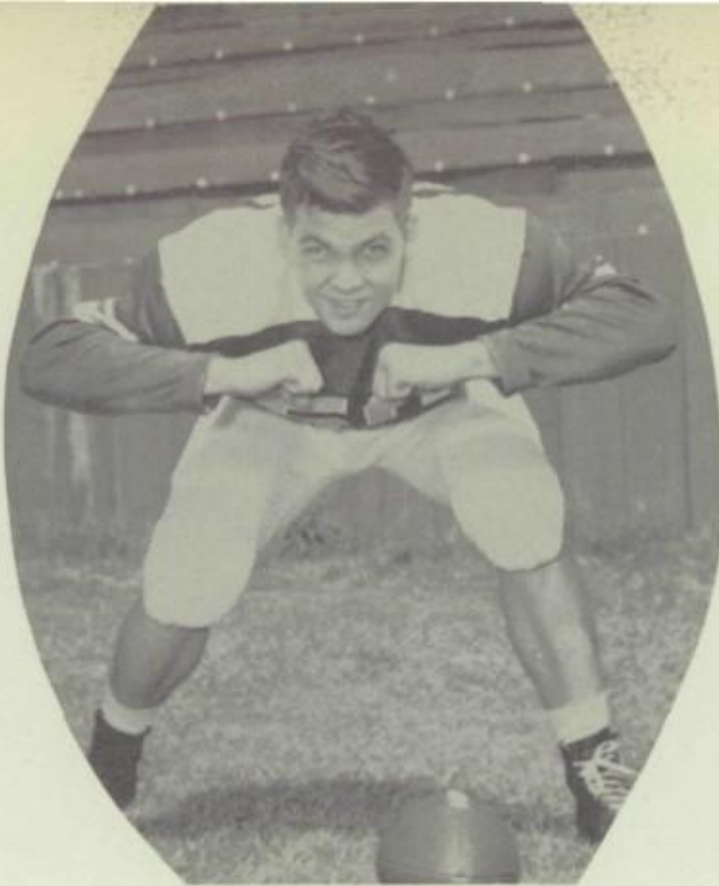

Dumas was the first team to keep the green-and-white from crossing the goal line. In this 26-0 encounter the Demons had complete control throughout the game.

Shamrock vs Phillips

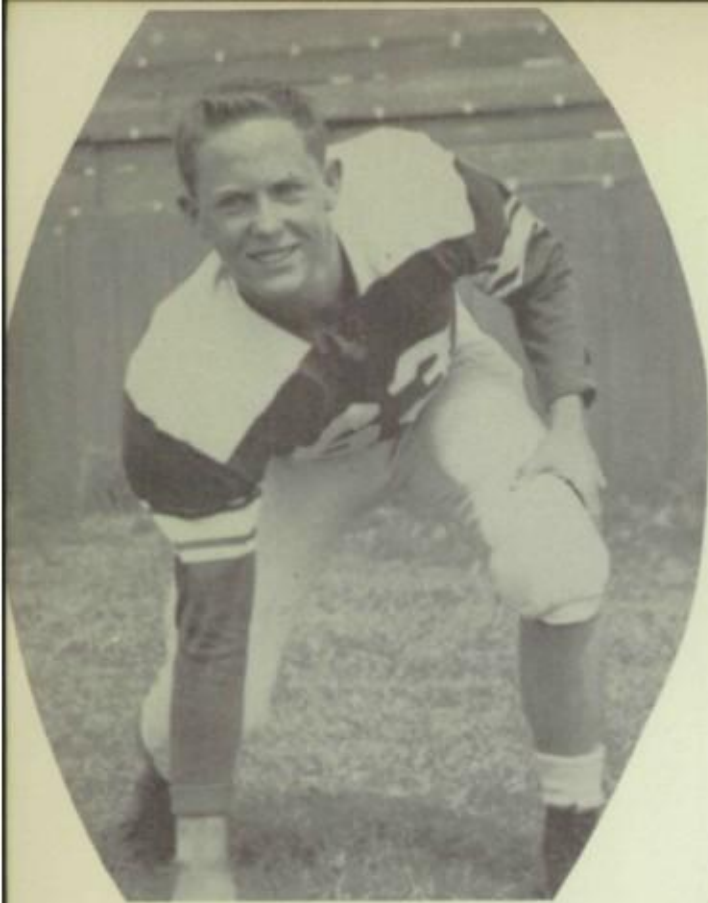

Shamrock vs Perryton

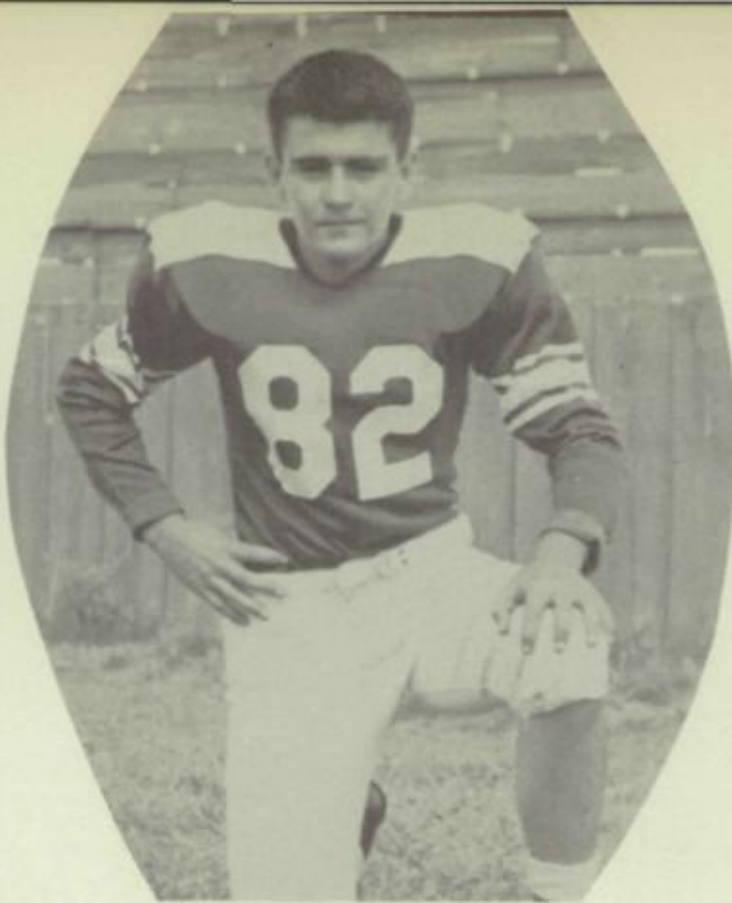

The Irish, after being out of action for two weeks, met the Phillips Blackhawks as they celebrated their first homecoming. The Blackhawks of 1-AA battered a hustling, but outclassed Shamrock Irish, 44-7.

The Irishmen battled the favored Perryton Rangers to a 13-13 tie in a non-conference game which kept fans on either side thrilled from start to finish.

Shamrock vs Paducah

Shamrock vs Memphis

Paducah came to Shamrock next. The Irish crushed the helpless Dragons 55-13 in their first conference tilt.

The green-shirted Irish roared 69 and 46 yards in the third period to snap a scoreless deadlock and remain in the thick of the district 3-AA fight by defeating the Memphis Cyclones 14-0.

Shamrock vs. Wellington

Shamrock vs. Childress

Shamrock went to Wellington to try to erase the Rockets chance at a share of the district 3-AA title. Both teams were fired and used all their guns. The Irish were out in front 14-13 as the third period opened. To open the second half, Duncan gave the Rockets a 20-14 lead on a kickoff return. The fighting Irish never gave up, and gave the Rockets a good scare before losing 28-39.

Seniors

Irish hopes for a share of the district were still high when the Childress Bobcats came to town in the last district game. The Irish were down, after a hard game with Wellington the previous Friday, and never did control the game. The Irish were shutout for their second time in the season by a score of 27-0.

IRISH FORWARDS

IRISH GUARDS

This year's basketball activities were exciting and fairly successful. We had a few casualties from which we have all recovered. Of the accidents received, the broken foot claimed by Connie Lewis is considered the worst. There were a lot of charlie horses, but the worst was received by Charlene Coe. Molly Mayfield's knees looked like she played ball on them instead of her feet. A sprained foot was received by Julia Holmes while practicing one day.

As the buses left the school for out of town games players were always in hurried confusion trying to get collected and get the inside seat. Everything from fights to talking and singing were re-inacted on the bus and Coach usually let us be until we got too bad. It always seemed to be a lot of fun to explore the gym trying to find the dressing rooms. Joretta Upton was first dressed and Jenny Ford took up time giving encouragement and thus managed to be last. If the game was won, the referees were always the best ones yet, if we lost, well, they weren't so hot. After the boys' game, the girls pile into the bus, exchanging memories of some silly stunt pulled during the game. The girls were always sitting single until the boys arrived and remedied the situation. Many were quiet on the way back. With some it was fouling off, with others it was because of some missed shot. But the Irish Lads and Lassies always managed to climb over their disappointment and fight harder at the next game.

We are hoping for an even more successful year in the future both in pleasure and faithful playing.
